## CITY OF RYE DEPARTMENT OF PUBLIC WORKS

---

**To:** Greg Usry, City Manager  
**From:** Ryan Coyne, City Engineer *RC*  
**Date:** February 22, 2024  
**Re:** Surplus Vehicles and Equipment

---

We are requesting that the Council deem the City's old sewer truck as surplus so that we can proceed to auction. This truck is no longer of use to the department as it has been replaced with the new truck that was purchased last year.

Should you need additional information, please feel free to call me.

- 2012 Kenworth T4 Series Sewer Vacuum Truck, Vin # 2NKBL50X7CM297882
